

Temperature Monitoring Solution

with mobile application and
online web portal

The logo features a circular graphic with a white center containing the text 'P|M' in large red letters, with 'PERFECT MONITOR' in smaller black letters below it. The text 'sensing technology' is in even smaller letters at the bottom. The circle is surrounded by a blue ring and a larger yellow ring, with red circuit-like lines and dots radiating from the center.

MS-Design
Software Solutions

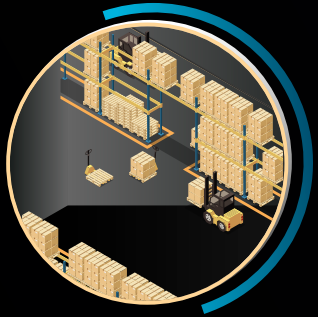

Integrated solution

- 01 **Hardware: Controllers & Sensors**
- 02 **Mobile Android & iOS**
